SUMMARY

Aspiring Java Developer with a strong foundation in Java and a passion for software development and backend engineering. Eager to apply my skills in Java frameworks and project experience to build scalable solutions in a dynamic, innovative team.

EDUCATION

Technocrats Institute of Research and Technology, Bhopal   2022 - 2026
B.Tech in Computer Science and Technology – CGPA: 7.6

Sant Chavara National Academy   2021 - 2022
Class 12 – 72%

Sant Chavara National Academy   2019 - 2020
Class 10 – 79%

TECHNICAL SKILLS

Languages: Java, Basics of Python, SQL

Concepts: DBMS, OOPs

Frameworks/Libraries: Spring, Hibernate

Tools: IntelliJ IDEA, VS Code

PROJECTS

To-Do List Application | Java, Spring Boot   Mar 2025 – May 2025
Source
- Developed a full-stack To-Do List web application using Java and Spring Boot.
- Implemented CRUD functionality with persistent storage using SQL database.
- Designed a responsive UI and integrated backend APIs for real-time task management.

Student Record System | Java, Hibernate, SQL   Jan 2025 – Feb 2025
Source
- Built a Student Record Management System using Java and Hibernate ORM framework.
- Implemented data persistence with SQL and provided easy CRUD operations for student data.
- Ensured modular and maintainable code for future enhancements.

ACHIEVEMENTS

Interschool Chess Competition (2017)

Completed Apna College Java Course

SOFT SKILLS

Strong problem-solving and analytical thinking

Curiosity-driven learning and adaptability

Clear written and verbal communication

Patience and persistence during debugging and experimentation

HOBBIES

Walking, Badminton, Reading Books
